## Important information

- If your course of studies is diverging from the regular order and you need to retake an exam, please get in touch in due time with the Studies and Teaching Office for exam registration.
- Exam trials: As of now, we assume that the pre-pandemic regulations apply again. Students are registered automatically for the next possible date of an exam and are required to participate except for cases of illness.
- If you are sick and cannot attend the exam, please submit a doctor's note, preferably by PDF scan, within 3 days after the exam to: [studienbuero@ipu-berlin.de](mailto:studienbuero@ipu-berlin.de) and the attempt will count as excused.
- When missing an exam without excuse, a failed attempt will be registered.
- Following sickness or failure of the exam, you will be registered automatically in the next possible exam round and required to participate in accordance with our framework study and exam regulations.
- Should there be a continuation of the special pandemic regulations of the Berlin Senate, we will inform you immediately.
