I, \_\_\_\_\_ hereby declare on my honour that I will use low-emission means of transportation marked above to travel sustainably to and from my host institution as part of my planned Erasmus+ stay abroad in the period detailed above. I will keep the relevant documentation (e.g. travel tickets, certificates, etc) for up to 5 years. I understand the IPU International Office can ask for these at any time. Failure to provide the required documentation may lead to paying back the top up.

II. I, \_\_\_\_\_ hereby apply for the one-time payment of the "Top-UP for Green Travel" in the amount of €50 Euro within the framework of my ERASMUS stay.

III. I, \_\_\_\_\_ hereby apply for funding for (max. 4) \_\_\_\_\_ additional travel days because my travel time has increased due to the use of low-emission transport.
